Teacher: _____ Course Name: _____

TEACHER RECOMMENDATION REQUEST

Students, Please make sure to request letters online through your Naviance Student account, in addition to completing this form.

As you think about a teacher for a recommendation, consider the following:

- why are you choosing that particular subject/teacher
- what impressed you about that class
- what you learned that you will take from that class
- what constituted your most significant experience in that class

Write a reflection addressing the above points to give to the teacher. Be sure to be specific. This reflection should be at least two paragraphs long. Keep in mind that your teacher may use your reflection when writing your letter of recommendation. Please do give this exercise serious thought.
