

Dear PQ Families,

The time has come to reach out to the PQ community on behalf of the **Annual Book Buddies program**.

Book Buddies is a PTO sponsored program that began in 1994 to supplement our school library through donations. Over the years, with the generous support of families, teachers and staff, Mr. MacCarry has been able to purchase many new titles, replace worn-out favorites and update research materials.

In addition, the PTO will match donations made to the Book Buddies program, which means your gift will go twice as far! Donating books is a great way to show appreciation to teachers or staff, commemorate birthdays or acknowledge special events in your youngster's life. What a wonderful way to show the student(s) in your family the value of reading!

Each donation includes a special PQ bookplate, individually inscribed and placed inside the cover of your donated book.

If you would like to participate, please return the form below with a check payable to the PQPTO to your child's teacher in an envelope marked "**Book Buddies 2010**" no later than May 7th. Please note: any donation received after May 7th must be applied to the 2011 Book Buddies purchases.

On behalf of the PQ students, thank you for supporting the 2010 Book Buddies program!
