

WHAT DOES NSFL DO?

Thanks to your support, NSFL funds enrichment opportunities and projects outside the scope of the school district budget for grades K-12, such as:

- The North Salem High School **Robotics Club**
- “**Day in Clay**” connecting 6th graders’ studies of art and Ancient Greece
- PQ **Ben's Bells** evening with founder Jeannette Maré, because “Kindness Matters”
- STEM exploration via **Genius Hour** at PQ
- 6th grade **adaptive bridge building** with Ron Hendrie in Technology class
- Co-sponsorship of distribution of **How to Raise a Drug-Free Kid** book to all NSCSD families
- Co-sponsorship of **self-defense course** offered to female HS students
- **iPads for special education** instruction
- **Student-designed life science kits** for sustainable agriculture projects
- Teacher/class proposal “North Salem High School **Push-ups for Veterans**”
- Student proposal “**Balanced Rock Magazine**”
- PQ “**Building a Community of Kindness/Respect/Tolerance** through song writing”
- Student proposal “An Assessment of the **Meteorological Services for the North Salem Microclimate**”
- **NEW:** Family, Career, & Community Leaders of America Club **School Garden**

Grants for special projects like these are awarded to faculty and students on the basis of NSFL Proposal Applications, available under the District tab of the NSCSD web site.

In addition, NSFL awards **11 annual scholarships** to graduating seniors, selected by faculty, in the areas of English, Social Studies, Math, Science, World Language, Visual Arts, Technology, Instrumental Music, Vocal Music, and BOCES. One student is selected to receive the Dr. George A. Bovino Award for Character and Values.

Thank you for helping NSFL make such programs possible for North Salem students.
