

Dear PQ Families,

The **Annual Book Buddies Program** is a PTO-sponsored program, now in its 25<sup>th</sup> year, that exists to supplement our school library through community donations. Over the years, through the generous support of families, teachers and staff, we have been able to purchase many new titles, replace worn-out favorites and update research materials.

Families can participate by making a donation towards the purchase of a new book. This can be a book the library doesn't currently carry, your child's favorite title, or a timeless classic. Each donation includes a special PQ bookplate, individually inscribed and placed inside the cover of your donated book.

Donating books is a wonderful way to show the student(s) in your family the value of reading! In addition, **the PTO will match donations made to the Book Buddies program, which means your gift will go twice as far!**

If you would like to participate, please return the form below with a check payable to the PQ PTO to your child's teacher in an envelope marked "**Book Buddies 2019**" no later than Friday, March 1.

On behalf of all PQ students, thank you for supporting the 2019 Book Buddies program!

Lisa Bain & Sarah Gayden  
Book Buddies Committee
