

CRAZY CRAYONS

Hi! We are girl scout troop #1220, and we are working towards our bronze award. We have chosen to collect crayons for the organization, Crazy Crayons.

Crazy Crayons will take used, unwanted, and broken crayons. They melt the wax to make new crayons. They also use the wrappers to make fire starters.

Crayons sit in our landfills and never break down. There are about 60 tons of crayons made EVERY DAY. That means that they will eventually end up in our landfills.

***If you are interested in donating your crayons, please leave the wrappers on. We will take any crayons, no matter what shape they are in.

We are collecting the crayons in boxes by the main office starting Tuesday, February 5th through Thursday, February 14th.

Thank You!

CRAZY CRAYONS
