Everyone is creative in some way. Whether it is planning an exquisite meal, knitting a gorgeous scarf, painting a masterpiece or crafting a handmade card. Come together and share a moment with other creative individuals. Ages 10 to Adult, Thursdays, 6-8pm, starting Thursday September 13th, 2018. Bring your own project to work on or open one of the library's *Art Boxes* for an easy self-directed project. Work in family groups or with a group of friends. This is a great opportunity for families to spend some quality time together. We ask that school age children come with an adult. Attend every week or periodically when available. There are plenty of supplies on hand on the *Art Cart*, as well as some coloring books in case you want a calm meditative task. All are encouraged to share their work in a fun, supportive atmosphere.

Facilitated by *Jen Armbruster* and *Debbie Rizzo*, one or both will be available each week to answer questions, provide suggestions, offer feedback or organize an exhibition of the work in a Library display case. Please contact Jen, Debbie or the Library with any questions.
