May 7, 2019

Dear Friends of North Salem High School:

Throughout the year, seniors at North Salem High School have participated in a unique course of study, O.P.T.I.O.N.S. (Opportunity for Professional Training In and Out of North Salem), a class designed to prepare seniors for the world of college and work by encouraging the exploration of careers of personal interest, the use of community talent and expertise, and the application of gained skills and knowledge to the design and implementation of a Senior Project. This experience is a capstone application of our district mission to improve problem solving through creative and critical thinking.

Now as their high school careers come to a close, all senior students at North Salem High School will be presenting their Senior Projects to a panel of their peers, teachers and community members at the Senior Exhibition at North Salem High School on **Tuesday, June 4, 2018, at 7 pm.**

The Senior Exhibition is a stimulating and informative presentation of the experiences of our seniors resulting from completed internships or original research. Their competency and poise in speaking before a group and answering questions is a moment of great pride for those of us privileged to have worked with them throughout the years.

All North Salem community members are invited to share our pride by attending the Senior Exhibition on June 4. Presentations will begin at 7 p.m. in classrooms throughout the school. Feel free to select any location; information regarding topics and room assignments will be available at the school entrance. The program should conclude by 8:30 pm and will be followed by a reception in the high school cafeteria.

If you would be willing to serve on a panel evaluating the presentations made by our senior students, please call Mrs. Deanna Martell at 914-669-5414 ext. 2072 by May 24. **Be sure to leave phone and e-mail contact information. Those serving on a panel will join us at 6 p.m. for a light supper and information meeting.** Panelist responsibilities, classroom assignments and all necessary instructions will be discussed at that time. Your assistance is greatly appreciated.

If you have any questions about our course of study for seniors, the O.P.T.I.O.N.S. program or the Senior Exhibition, please do not hesitate to call me at 669-5414 ext. 2072.

I look forward to seeing you on June 4.

Sincerely,

Vincent DiGrandi
Principal
