

## Pennies for Patients

### Leukemia and Lymphoma Society

The Student Forum is happy to be running its annual Pennies for Patients Fundraiser for the Leukemia and Lymphoma Society.

This organization is the world's largest voluntary health agency dedicated to blood cancer. It funds lifesaving research around the world and provides free information and support services to all those affected.

Their **main goal** is to **help** blood cancer **patients live better, longer lives.**

### Here's what we are doing:

- We are **handing out donation boxes** to each MS student to bring home as a means to contribute to this cause. We are asking them to **collect loose change around the house**. There is no need to go house to house or ask strangers for money, just **collect whatever you can** from around your home. The last day to return the box is February 20<sup>th</sup>.  
**Every coin counts!**
- Each homeroom will **post a poster** with a **set goal** in regard to **how many boxes they get back**. The number correlates to the number of students in the HR. **Homerooms** that **bring back all** of their **boxes will receive a small treat** as a token of our appreciation for demonstrating an **act of kindness**.

We thank you all in advance for supporting our efforts in working toward putting an end to a disease that has touched so many people's lives.
