

4th, 5th & 6th Grade Volleyball Clinic

Dear Parents/Guardians,

My name is Melanie Cotrone. I am in 9th grade at North Salem High School and am earning my Silver Award in Girl Scouts. To fulfill this achievement, I am going to organize this volleyball clinic with Mr. Veteri, North Salem High School Varsity Coach. Mr. Veteri and I will be coaching, along with some players. I personally have been playing volleyball for 4 years and it is a passion of mine. My hope is to get young players interested in this great game that builds confidence, self-esteem and leadership skills.

This clinic will be offered for any student in 4th, 5th or 6th grade. Each participant will have the opportunity to practice drills and play games that teach fundamental volleyball skills such as passing, setting, spiking and serving. This special one-day clinic will be a fun learning and positive experience for your child. We look forward to teaching your child introductory volleyball skills in a nurturing and supportive environment. If you have any questions please email Mr. Veteri at jveteri@northsalemschools.org.

WHEN: Wednesday, September 11th from 5:30-7:00

WHERE: NSMS Gym

COST: FREE

WHAT YOU NEED: Sneakers, comfortable clothes and a water bottle!
